

COIL DISPENSER™ NOW WORKS WITH QUICKSCORE™ AND TRIMCUTTER™*

New and improved Coil Dispenser™ now saves you more time and money than ever. Score and cut lengths right into any brake using QuickScore™ or TrimCutter™*. Designed with all aspects of your job in mind, Coil Dispenser™ feeds material right into your brake where you need it most.

Feed Lengths
Into Any Brake!

New Improved!

More Features!

- Protects coils from end to end.
- Use with all brakes and slitters.
- Prevent wind damage to coil stock.
- Use in the shop or on the job.
- Legs fold away when not in use.
- Durable stainless steel scoring edge.

QuickScore™ uses standard utility blades to score materials on Coil Dipenser™ and Mark Series® brakes.

***QuickScore™ and TrimCutter™ each sold separately.**
