

**Van Mark** Introduces a Complete New Line of Bending Brakes. We're Raising the Bar, the New Power Lock™ Bar!

Model M10

**Mark I Series™**

Model TM10

**Mark II™ TRIMMASTER™**

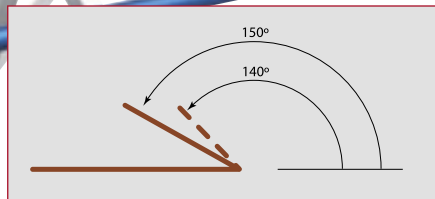

Model IT10

**Mark IV INDUSTRIAL TRIMMASTER™**

New Power Lock™ Bar provides stronger clamping pressure along the entire bending edge for crisp, clean bends without oil canning, or warping.

Increased bending radius simplifies hemming and over-bending resulting in faster, easier operations.

New Powder Coat finish provides superior protection from the elements, while eliminating UV fading and oxidation.
