

QuickScore™

Precision Sheet Scoring Tool

For Your Van Mark Brake

We've Got A Score To Settle!

When it comes to providing top quality tools and equipment to help you on your job site, think of Van Mark as your silent partner. Our newest time and money saving accessory, QuickScore™, is proof positive of Van Mark's commitment to improving your job site efficiency. This revolutionary tool scores along the outer edge of your brake allowing downward separation of materials resulting in clean crisp edges every time. Don't be fooled by roller gadgets and cutting gizmos, when you need dependability, get the QuickScore™ for a perfect score.....every time.

It's as easy to use as 1, 2, 3

Run QuickScore™ along the material.

1

Bend material down from score.

2

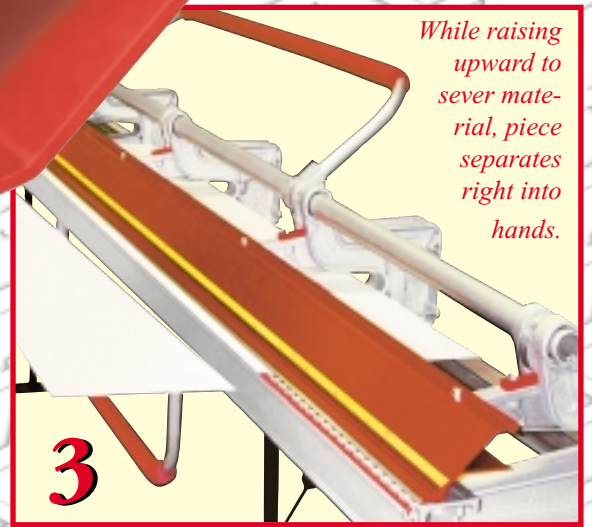

- Separate material along score without rounded or jagged edges.
- Uses standard utility knife blades.
- Saves wear and tear on equipment, materials and labor.
- Leaves scored material in position for industry standard 3/4" bend.

NEW!

Automatically aligns material for true 180° hem after score.

Patent Pending

While raising upward to sever material, piece separates right into hands.
