

Folding Legs for Bend Bandit

NEW FOLDING LEG SYSTEM FOR BEND BANDIT

- PN: 3047
- COMPATIBILITY:
ALL WL3 MODELS

INCLUDES:
BEND BANDIT & AAC BEND PRO

Van Mark's new folding leg system for the Bend Bandit is now available. These zinc plated steel folding legs permanently attach to the brake allowing the brake to be more portable than ever before. Allowing for quicker setup, while making the brake more compact at the same time. Sold as an optional kit, now available through all Bend Bandit and Bend Pro dealers.
